## Back to School Guide for Parents

What is Wikispaces Classroom?

An online website where your teacher can post resources, activities, and create, share and collaborate with you and your student!

# Your Student's Writing

## Discussions

Your student will be able to hone his or her writing skills in Wikispaces Classroom- they can post questions, reply to discussions, and work on projects with the teacher and teams. All comments can be monitored and deleted at the teacher level.

Ask your child to show you what they've been up to!

It's always exciting to have an audience member for your writing.

**Gold Rush Poster Project** – Sep 16 2013

suppor Jul 15, 2013

-At least 5 sentence, two pictures

Post

**Does anyone like running?**

Dam Jul 15, 2013

I want to do a 5k!

Add a comment

**What book should we read aloud? Any suggestions?**

suppor Jul 15, 2013

I was thinking about "Phantom Tollbooth." What do you think?

Dam Jul 15, 2013

I read "Diary of a Wimpy Kid" this summer. I think everyone would love it!

Add a comment

**Great Gatsby: The Movie**

suppor > Maniac Magee Jul 2, 2013

Which do you think was better, the movie or the book?

Parents-- we have many parents who use Wikispaces to collaborate for Parent Teacher Associations and Organizations and events-- sign up free at [wikispaces.com](http://wikispaces.com)!

## Projects

Your student can work collaboratively, not only with his or her own classmates but those around the world!

## Events

You and your student can keep track of events with the built-in calendar feature.

## Assess

Your students' teacher can differentiate at the student-level with the new Assessment feature!

# Other Features
